

January 2009

Happy New Year to all our wonderful Child's Way families!

It is incredible how fast the year 2008 came and went. As we approach the beginning of the second semester of this school year, please feel free to set up a special conference time with your child's teacher if you have any questions and/or concerns. Each teacher will be closely observing the children over the next few months and speaking with you if necessary. Our main goal is to have happy and enthusiastic children who love coming to school to learn and enjoy their friends. Many of our teachers conferenced with parents in December, and will also be scheduling spring-time conferences as we near the end of school.

We extend huge, heartfelt thanks to all of you who showered the staff and directors with such beautiful holiday gifts. We all feel so blessed and privileged to be a part of your lives.

The Feed the Soldiers in Iraq was a total success, due to your extreme generosity. CW shipped 7 boxes of food and supplies and we thank you for making that possible. What a difference you made for many military personnel who are fighting for our freedom.....the notes from the children surely touched their hearts.
