

May 2009 Newsletter

Can you believe this school year is wrapping up on June 3rd! What a fun and exciting year we have all had. We want to thank all you wonderful parents for all you do for us through the school year. The "teacher appreciation week" was incredibly delightful and through your generosity with gift cards, flowers and other special goodies that were displayed during the week, many of our teachers felt your deep appreciation. Ms. Amber Barton, we want to thank you for all you did in organizing 3 full days of special happenings. The breakfast's and the fajita luncheon were thoroughly enjoyed and a special thank you to all the wonderful moms and dads who, took over the classrooms in order to allow us to dine together...that is such a big treat for all of us.

We are so blessed to have such incredibly generous families who give so much of their time and talents to us through the school year.

Kudos also should be given to our graduation chair, Ms. Amber Barton and her committee's who work so tirelessly for graduation night, so that our Pre-K children will never forget this special occasion. Ms. Amber and her wonderful committee consisting of all the parent's from the pre-k class have done an incredible job getting Kiker Elementary gym prepared with all the pomp and circumstance, for the May 29th event, that begins at 6:30 p.m.

We have so much happening in the next few weeks, but we want to remind everybody about our fun-filled summer program. Our session themes are going to be filled with exciting events, so make sure you get your child registered before the month of May is over. Ms. Debbie and Ms. Ann are planning and preparing our exciting summer sessions, so please spread the word to your friends and neighbors that Child's Way's summer program promises everyone a super-duper fun time. The first day for Session I is June 15-June 25. Please register by May 15th so we can confirm your child's place in the class.
